Have you got any questions, concerns or queries? Please don't hesitate to come in and see us.

Well I can't quite believe how quickly this year has flown but here we are again at the end of another school year.

The children have all worked incredibly hard all year and we are very proud of all of them.

Whilst we are very sad to be saying goodbye to our lovely Year 6 children, we know that they will soon settle into their new schools and go onto achieve wonderful things and continue to make us proud.

I would like to take this opportunity on behalf of myself, the staff and the governors of Sacred Heart School, to thank you all for your amazing support throughout the year. I know that we all feel very privileged to be working with you and your wonderful children.

I wish you and your families a very happy and fun filled holiday and we look forward to returning in the Autumn term, rested and ready for all the hard work to start again.

God Bless

Mrs Barnes

School Uniform

Just a reminder that when you are buying new uniform for your children for September, please ensure that you buy school shoes and not trainers as children are not permitted to wear these in school.

Don't forget that uniform is available to buy from Tesco Direct as an alternative option to Identity if you wish.

The Parish of Our Lady of Furness have recently launched a school uniform scheme where parishioners have donated money for the schools to use, to buy uniform for families experiencing financial difficulties. If you need help providing shoes or uniform at any point during the school year please come into school to see me and we can help.

Please make sure that everything new that you buy is clearly labelled with your child's name before returning to school so things don't get lost.

Thanks

Changes for September

From September After School Club will be held in Sacred Heart Presbytery to accommodate the growing numbers of children. Access can be gained through the Nursery playground to pick children up at the end of the day. As Miss Casey is leaving us, Miss Dale will be the new after school club supervisor alongside

Miss Pickering. Unfortunately, prices for both after school club and breakfast club will have to rise in September as they have both been running at a considerable loss over this last year. Any fees still owing must be paid up by the end of term or you will be unable to use these clubs when we restart school. I will let you know the new prices at the start of the Autumn term.

In September also, we are hoping to become a 'cashless' school, as the majority of schools in Barrow already are. This means that all payments for school meals, trips, tuck shop etc will be made online through an School Payment App. Further details in September!!
